

## 2021 慕尼黑国际机场建设展

### INTER AIRPORT EUROPE 2021

**展会时间：**2021 年 11 月 9 日-12 日

**展会地点：**德国慕尼黑展览中心

**官方网站：**[www.interairporteurope.com](http://www.interairporteurope.com)

**主办单位：**励展博览集团 Reed Exhibition

#### 展会概况：

欧洲机场建设展是世界领先的机场建设展会，展会现场有很多来自机场，航空公司和货运公司决策者和买家。展会涵盖从航站楼的设备到地面服务设备，机场设计和 IT 系统的所有相关机场建设的产品和服务。

展出面积：6 万多平方米

展商数量：来自 40 个国家，近 700 家，再次参展率达 72%。

观众数量：来自 108 个国家，近 14879 名（80%来自国际），满意度达 85%。

#### 展品范围

机场建设及安装，机场建筑及安装，建筑和室内设计，机场运营，机场设备，数据管理以及解决方案，航站楼管理，乘客管理相关产品，机场安防，机场技术及通讯，地面支持设备及服务，空中交通管理等

#### 观众来源：

航空公司机场管理局    ATC 服务商/ANSP    货运/物流公司    建筑商    顾问

工程承包商    设备&服务供应商    政府/CAA/监管机构    维修商/服务公司    媒体/新闻机构

#### 市场概况：

2020 年疫情爆发导致机场业务量迅速下降，但是无论怎样，新机场的建设和机场相关行业未来的发展不会受到限制。随着国际市场的接轨，世界机场行业还将是蓬勃发展的不衰行业，世界各国都需要有投入老机场的拓展和新机场的建设需求，各个国家政府也会大力投入基础建设，未来机场行业还是会商机不断。

**interRAMP**

Encompasses the key areas of ground support equipment, ground handling as well as airfield construction and installations.

**Exhibit Categories**

**Ground support equipment and services**

- Aircraft handling
- Aircraft docking
- Airfield service equipment
- Cargo handling
- Baggage handling
- Passenger handling
- Crash, fire, rescue
- Consumables, fluids

**Technical systems and services (airside)**

- Aircraft maintenance
- Airfield lighting
- Bird control systems
- Navigation aids
- Fleet management
- Environmental control

**Airfield construction and installations**

- Hangar design and construction
- Marking and signage
- Pavement design and servicing
- Technical installations (e.g. fuel farm technology, cabling)
- Planning, consultancy, construction

**Visitor Target Groups**

**Organisations**

- Airlines
- Airports
- Cargo carriers
- Ground handlers
- Maintenance / servicing
- Military and government

**Job functions**

- Engineering
- Management
- Operations
- Planning
- Procurement
- Productions
- Sales / marketing

**interTERMINAL**

Covers the vast array of terminal operations, infrastructure and technical installations.

**Exhibit Categories**

**Terminal construction and installations**

- Passenger handling
- Baggage handling
- Security equipment
- Cargo handling
- Passenger information technology
- Technical installations in buildings
- Terminal infrastructure
- Parking equipment and services

**Services**

- Associations
- Consultancies
- Property management
- Terminal maintenance
- Trade press, information services

**Visitor Target Groups**

**Organisations**

- Airlines
- Airports
- Architects
- Consultants
- Investors
- System integrators

**Job functions**

- Management
- Cargo terminal operators
- Passenger terminal operators
- Planning
- Sales / marketing
- Procurement
- Property services
- Facilities management

## interDATA

Comprises all IT solutions for a modern, interactive airport.

### Exhibit Categories

#### Infrastructure management

- Cyber security
- Financial management
- Building control
- ATC management

#### Data management

- Data centre / Server technology
- Cloud service
- Hybrid IT solutions
- Data exchange

#### Operations management (airside)

- Ground operations management
- Ground traffic management
- Maintenance management

#### End-to-end Baggage tracking

#### Passenger management

- Electronic ticketing
- Automated passenger flow
- Seamless travel apps
- Digital retail apps / e-commerce
- Airline loyalty programs

#### Data analytics / Business intelligence

#### Risk management

#### Planning, simulation, testing

#### Traffic management for airports

#### Hardware

- Printers, scanners and other peripherals
- Barcode readers and other readers

### Visitor Target Groups

#### Organisations

- Airlines
- Airports
- Air traffic control
- Consultants
- Ground handlers
- Service providers

#### Job functions

- IT Development
- Digital Implementation
- Management Customer Experience
- Operations IT & Technology
- Planning Experts
